## About me

I came from Ukraine  3 years ago. Here i started a new work. I want to develop myself, lear something new, impove my skills. I'm qualified  deck officer in merchant fleet. I have worked there for many years, I realy enjoied it but it's not my cup of tea,  Recentrly I found myself in programming. I took 2 courses and still continue increese my skill by YouTube lessons.I'm quite fluent in English and I'm aimed to reach C1 level of English. I would like to get a posiotion in your company to use my professional skills and knowledge and help to achieve company's aims.
